We are the best source for the best boxing Equipment and fitness wears in Pakistan. At Thumppro we emphasize " Quality over Quantity" So our limits for boxing, MMA, and fitness wear are sure to last the round. Thumppro set up a team to establish itself as an authority in the boxing field through experienced craftsmen producing professional goods for fighters. Our team is fully equipped with the latest technology. We always felt that there's a certain magic that happens when you slip your hand into a boxing glove. You feel its power and at the same time, you realize your own. We make equipment's for champions out of those select few who are willing to test their limits. Whatever your goal may be, we want to help you achieve them. We combine our experienced and craftsmen in boxing field with a real understanding of what today's fastest-growing sport demands. We want fighters, coaches and fitness enthusiasts to be assured that they can depend on us for quality and durability of the equipment's.
